Policy Statement

The school is committed to providing the highest quality of teaching and learning for all its pupils and will ensure at all times that teaching and learning is delivered by appropriately trained and qualified staff.

The school will manage sickness and other absences effectively, and in accordance with its Policies, in such a way that provides appropriate support to staff but also ensures minimal impact of teacher absence on pupil progress and wellbeing or staff workload.

Section One: Cover

1. Teachers' Pay & Conditions Provisions

Teachers should cover for absent colleagues only rarely. This provision applies to all teachers, including the headteacher and to staff on permanent, fixed-term or temporary contracts.

This requirement does not apply to teachers employed specifically for the purposes of providing cover.

2 Definition of "rarely cover"

'Rarely cover' is interpreted as meaning a teacher will only be asked to cover in circumstances that are not foreseeable.

'Foreseeable circumstances' for the school include events that are foreseeable on the basis of historic experience; events that are foreseeable in the normal local experience; and events that may be expected as part of the evolving pattern of provision.

Teachers' PPA time is part of their contractual entitlement and cannot be used for cover.

Emergency cover will be shared equitably among all teaching staff having regard to their other commitments.

3. Definition of absence

Absence occurs when the teacher normally responsible for teaching a particular class/lesson is absent from the classroom during the time they have been timetabled to teach. Absence may be due to internal or external activities as well as sickness and may be long or short term.

Absence which requires cover as defined in this Section, does not include periods where a teacher is timetabled to be absent from their normal teaching duties e.g. timetabled PPA or Leadership and Management time. See Section Two – PPA policy.

3.1 Definition of short-term absences

Short term absence will normally be no longer than three days but the definition for the purposes of determining cover arrangements may vary according to:

- the extent to which continuity of learning can be maintained;
- the length of time a particular group of pupils would be working without a teacher;
- the proportion of the total curriculum time affected in a specific subject over the course of the term.

4. Educational Visits

Where a teacher acquires non-contact time in the timetable as a result of a class or group, they would normally have taught being absent on an educational visit, they may be directed to use this time to undertake the following activities, directly relevant to teaching and learning:

Developing/revising departmental/subject curriculum materials, schemes of work, lesson plans and policies in preparation for the new academic year. This may include identifying appropriate materials for use by supply staff, TAs HLTAs;

- Assisting colleagues in appropriate, planned team teaching activities;
- Taking groups of pupils to provide additional learning support;
- Supporting selected pupils with coursework;
- Undertaking planned activities with pupils transferring between year groups;
- Where the school has a policy to release staff for CPD during school sessions, this time may be used for such activities.

Such activities will be planned in advance of the visit.

5. Covering absence

All types of absence will be carefully managed to minimise the impact on teaching and learning for the pupil.

A teacher's absence from their timetabled teaching commitments may be planned (e.g. training course) or unexpected (e.g. sickness). Although the principles apply equally to both types of cover, the management of them may differ. NB cover in this context does not apply to timetabled absence (see above).

5.1 How lessons will be covered

Cover will be undertaken only by staff:

- who have been assessed as competent to undertake specified work, defined in Regulations 133 as:
- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly safeguarding, behaviour management and health and safety.

5.1.1 Supply teachers/cover teachers

A supply/cover teacher will cover long term absences.

5.1.2 HLTAs/Cover Supervisors

If appropriate, HLTAs/Cover Supervisors will provide cover in the absence of a class teacher.

- HLTAs/Cover Supervisors will work under the professional direction of, and under a system of supervision by, a qualified teacher.

6. School Calendar

To ensure the system for managing cover is robust, the school will publish a calendar for each school year following consultation with staff and their union representatives. The school calendar will also provide for the school's annual teaching timetable for every teacher. The School may need to review/revise its timetable during the year, and from year to year, in light of significant changes (e.g. a long-term absence or other significant educational development).

7. Managing cover

7.1 All covered lessons will be managed in such a way that all pupils continue their learning. It is expected that where the absence is planned, details of the work to be undertaken by pupils during cover lessons will be available. In the absence of this, and in the cases of unplanned absence, relevant information and guidance will be provided by the relevant manager.

Although this will not always be possible, HLTAs/Cover Supervisors will ideally provide cover for teachers with whom they usually work and with whose plans they are familiar.

7.2 All those providing cover will be expected to engage in active teaching and to undertake such assessment, recording and feedback as may be required. If necessary, they may also be required to undertake lesson planning and preparation.

7.3 All staff providing cover will be given an appropriate and proportionate allocation of paid time to undertake:

- liaison with other staff and giving feedback;
- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.

In the case of teachers this is addressed through an allocation of directed time.

7.4 Where support staff are deployed to provide cover, the headteacher will:

- have regard to the suitability of the task to the member of staff's current role;
- the impact on their workload and whether sufficient time is available, or could be freed up;
- consider any additional training needs;
- ensure that if additional paid working hours are required this is agreed with the member of staff;
- ensure job descriptions are revised to reflect agreed changes and additional responsibilities;
- ensure pay and grading reflects any revised roles and responsibilities.

7.5 The school encourages all staff undertaking lesson cover to be a member of a relevant trade union/professional association.

8. Monitoring

To fulfil its commitment to ensure the short, medium- and long-term quality of teaching and learning for all its pupils, the school will record, monitor and evaluate cover as follows:

- the overall amount of cover required (planned and unplanned);
- the number of individual teacher's lessons requiring cover;
- the number of lessons covered in each year group;
- the number and quality of lessons covered by each qualified teacher and other staff;
- all those providing regular and/or medium/long term cover will be observed on a *termly* basis.

Section Two: PPA/NQT Release Time

9. Teachers' Pay & Condition Provisions

9.1 Calculations

PPA calculation

PPA is calculated as a minimum of 10% of a teacher's timetabled teaching time. PPA must be allocated in blocks no less than 30 minutes.

NQT release time

NQTs serving their induction period must not be timetabled to teach for more than 90% of a classroom teacher's timetabled time. PPA is calculated on this reduced NQT timetabled teaching time.

9.2 Definitions of "guaranteed"

Guaranteed means that timetabled PPA time must not be encroached upon for any reason. However, there is no entitlement to compensatory PPA time where a teacher is absent.

9.3 Use of PPA time

PPA time must be used for planning preparation, and assessment. It is for each teacher to determine the particular PPA priorities for each block of timetabled PPA time, although this does not preclude them from choosing to use some of the time to support collaborative activities.

10. PPA arrangements

Every teacher with timetabled teaching commitments will have PPA timetabled in one block.

Teachers may choose to spend some or all of their PPA time working collaboratively with colleagues.

PPA may not be undertaken away from school premises (except in exceptional circumstances).

11. Covering PPA/NQT release time

11.1 PPA cover will be undertaken only by staff:

- who have been assessed as competent to undertake specified work, defined in Regulations as:
- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly child protection, behaviour management and health and safety.
-

11.2 PPA time will be provided in the following ways:

Teachers

The school may engage additional teachers for the purpose of covering PPA time.

HLTAs/Cover Supervisors

HLTAs/Cover Supervisors can provide PPA cover for teachers.

- HLTAs/Cover Supervisors will normally have an additional Teaching Assistant in the classroom where they are providing whole class PPA cover.
- HLTAs/Cover Supervisors work under the professional direction of, and under a system of supervision by, a qualified teacher.

Instructors/coaches

Pupils may be engaged in activities with specialist music/sports etc coaches during PPA time.

11.3 All staff providing PPA release will be given an appropriate and proportionate allocation of paid time to undertake:

- liaison with other staff and giving feedback;
- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.

In the case of teachers this is addressed through an appropriate allocation of PPA/directed time.

12. Managing PPA

PPA time will be managed in such a way that active learning takes place for pupils.

- Activities undertaken by those covering PPA will normally be planned and prepared by the person providing the release. However, the classroom teacher will remain responsible for the overall learning of the pupils.
- Teachers are not required to undertake separate additional planning for delivery by HLTAs or other staff providing PPA cover. However, HLTAs may work with teachers as part of the teachers normal planning, to determine appropriate activities for PPA time.
- All those providing PPA activities will be expected to undertake such assessment and reporting as may be required by the class teacher.

It is the headteacher's/line manager's responsibility to monitor the quality of activity taking place during PPA time, and all those who release staff for PPA can expect to be observed.
